"Remembrance of Things Past"

Sponsored by the 1951 Sequoia

Prologue

"All the world's a stage,
And all the men and women merely players.
They have their exits and their entrances—"

—*"As You Like It"* by Shakespeare

—And in The Sequoia this year, we have tried to reflect our world of Long Prairie High School as if it were a series of Shakespearean plays, each with its actors — students, faculty, administration — who have had their entrances, their big scenes and little scenes, their sadness and their laughter, their work and their play, their triumphs and their disappointments.

We, who are Seniors, now have our exits; and we depart full of courage and hope to try the larger stage of the world.

We call our Sequoia-sponsored series of plays "Remembrance of Things Past" for the simple reason that this is a book of memories — and will be more so as time goes on. "When to the sessions of sweet silent thought I summon up remembrances of things past —" "May the memory be green."

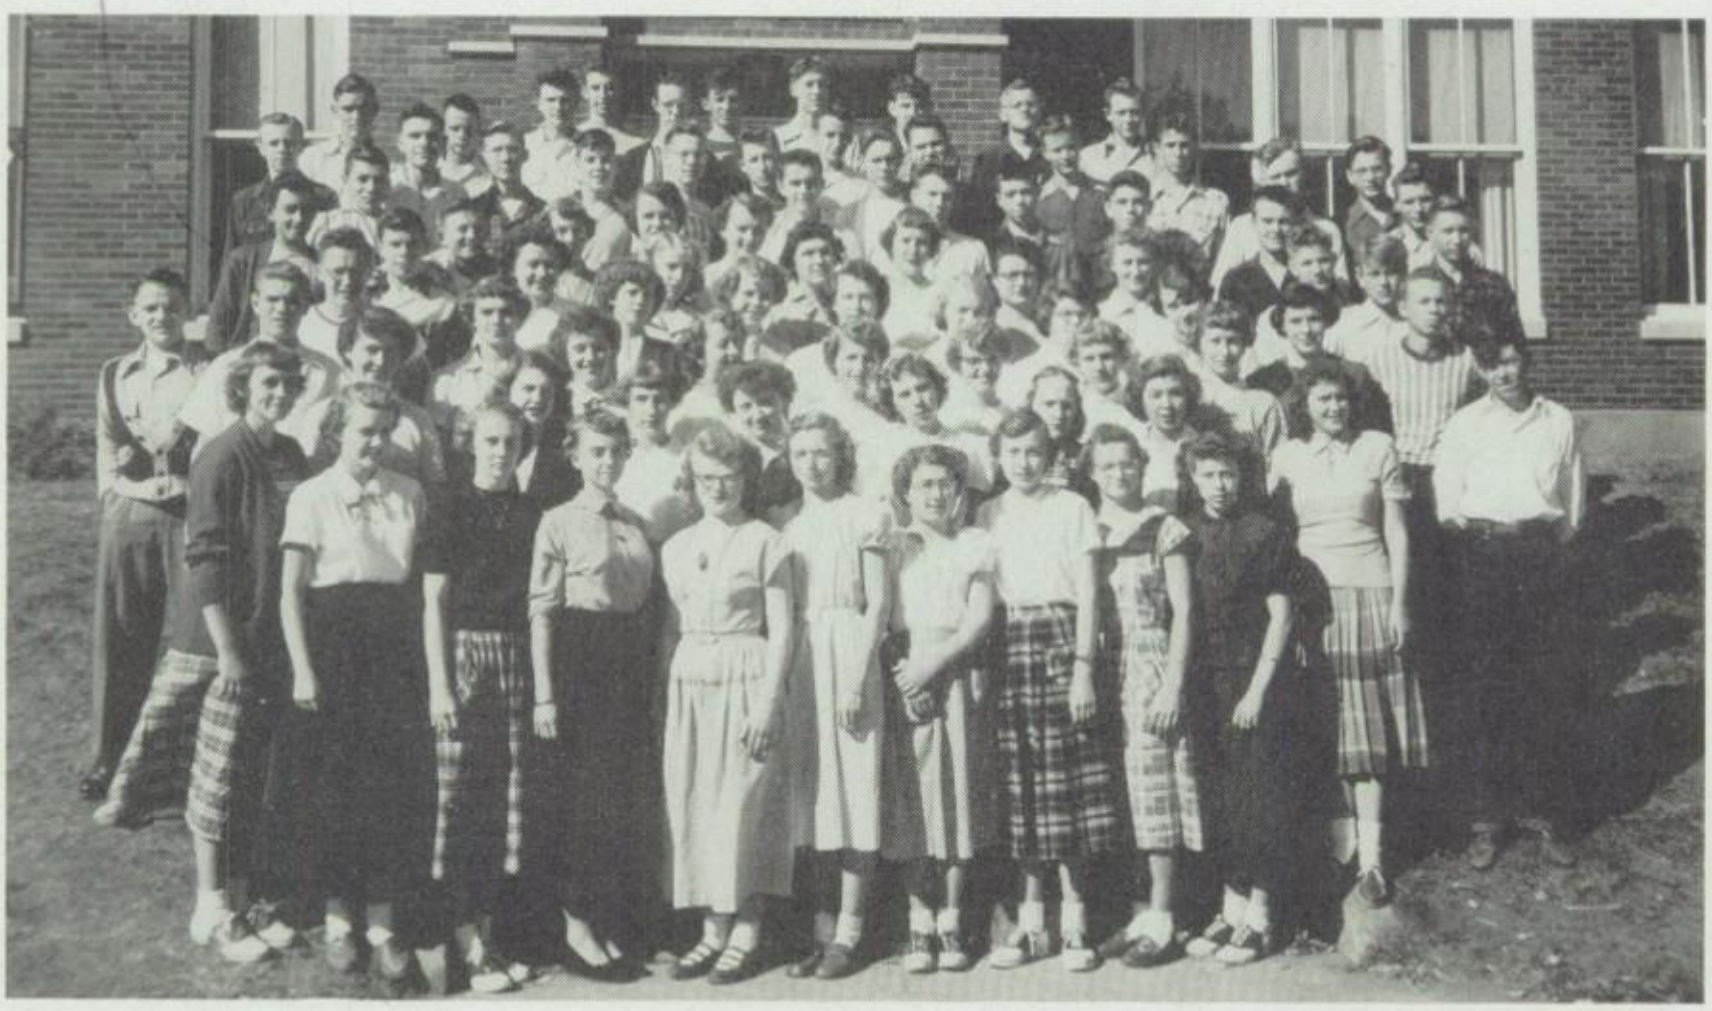
"THE TEMPEST"

"Have more than thou showest, speak less than thou knowest"



The Juniors were again confronted with many responsibilities which brought both work and enjoyment. They began their busy year by presenting the class play "When Hearts Were Young and Gay"

The climax of the Junior year was the Junior-Senior prom which held the greatest responsibility of all.

The class officers were Clayton Parker, President; Allen Holmes, Vice-President; Jane Arendt, Secretary and James Thomas, Treasurer. Bob Currie, Jane Arendt and Clayton Parker were chosen as representatives to the newly formed Student Council.

At the first class meeting the Sophomores selected their officers for the year. Those chosen were Gene Sommers, President; Betty Stoltz, Vice-President; Connie Erickson, Secretary; Elaine Hogan, Treasurer. Kay Petrie and Bylund Wik were elected to the Student Council.

Class parties were held throughout the year at which many good times were had by the Sophomores.

It's been fun knowing you and the typing class. Good luck from Ruby Larson

"A COMEDY OF ERRORS"

"My salad days, when I was green in judgment"

The Freshman Class of 1950-51 was under the capable direction of Ronald Brown, President; Jim Carroll, Vice-President; Delores Brooks, Secretary; and Tom Wagner, Treasurer. Louise Palmgren and Bob Lackman were elected as the class representatives for the Student Council.

The Freshmen were privileged in having Bob Lackman, a member of their class, on the "A" basketball team.

Dale Crider, Delores Shaleen, Mary Ries and Sharon Kleinschmidt were victorious in the tryouts for "B" team basketball cheerleaders. Louise Palmgren, Nell Norris, Delores Brooks and Marilyn Anderson led the cheers for the Junior High football team.

STUDENT COUNCIL

"Take each man's censure, but reserve thy judgment"

The school year, 1950-51, found a new organization formed, namely the Student Council. These representatives from each Senior High class and Freshmen class and one each from the seventh and eighth grades comprised the organization.

After a lively campaign, Wayne Lunceford was elected President and Bob Currie Vice-President. Joan Haasser was elected Secretary. Other members of the Council are Denton Erickson, Clayton Parker, Jane Arendt, Gene Sommers, Kay Petre, Bylund Wik, Louise Palmgren, Bob Lackman, Ronald Brown, Ronald Schroeder, David Trampe.

Various committees have been formed to take care of school duties such as assembly programs, hall and building reception, admissions, awards, publicity and welfare.

As yet this organization is too young for mighty things, but the progress made by the Council this year should be an indication of their success.

1950 HOMECOMING

Homecoming this year was, as usual, a gala event. The committee chose to keep the new queen's name a secret until immediately before the game. The annual Homecoming Pepfest honored all five candidates—Edith Robinson, Joan Raschke, Eyvonne Severson, Evelyn Stigen and Phyllis Moore. The girls were escorted to their places of honor by escorts chosen from the football squad.

Following the evening parade, the candidates appeared on the field and stood waiting breathlessly for the great moment. Then amid the roll of drums, Beverly Greene, Homecoming Queen of 1949-50, walked out onto the field. While the spectators and the candidates stood in quiet anticipation, Beverly carefully observed each of the candidates and finally stretched out her hand. Our Queen stepped forward—congratulations, Edith.

In the latter days of August, 1950 a new football coach, Lieutenant Virgil Robinson, greeted an equally untried football team for the first practice of the season. With three weeks of practice behind them, the Indians challenged the Staples Railroaders in the first home game and succumbed 21-0. Injuries to key players and the advent of the duck hunting season limited the available manpower for L.P.H.S. in the next three games and Long Prairie dropped them to Paynesville, Sauk Centre and Melrose. Then came the Homecoming game with the pageantry of the afternoon and the murder of the evening. The only yardage made all night was when Dick Lano drove Queen Edith and her attendants up and down the field before the game.

Well, one thing you had to say about the Indians, they weren't getting the opponent's end zones dirty. Then came the game at Osakis. FLASH! BAM! ALI-CAZAM! Out of an orange colored sky the Indians scored, Wolf to Motzko. But their joy was short lived and the Silver Streaks triumphed. The last home game the Indians went on a scoring "binge" tallying twice (Norris to Wolf) and Siegle through the line, but still they were overpowered.

From their foxholes in foreign lands, the seniors of last year's team wish success to this year's team in their mudholes in the local athletic field.

TEAM TEAM TEAM

Perhaps the youngest and most inexperienced team in many years began intensive practice under head coach Pete Sajevic shortly before Thanksgiving. Only three members remained from last year's successful district runner-up. The basketball team encountered the same trouble as that of the football team, getting started. After dropping the first four games, the Indians broke the ice at Park Rapids with a well-deserved three point victory. Having tasted victory and finding it very enjoyable, Long Prairie proceeded to win two more from Browerville and Bertha, respectively. However, the Indians more than met their match in their neighboring district rivals Sauk Centre, Melrose, and Osakis. The most thrilling game was the Staples encounter which went an overtime period before the Indians were defeated. The complete results:

	We	They		We	They
Bertha	49	55	Osakis	35	46
Paynesville	37	53	Detroit Lakes	38	58
Swanville	44	50	Osakis	30	40

Dear Jim
Remember the times we had in that good old Herman Band. The time we played for the D.A.R. party and you went out of the lunch room with two pts of milk in your pants. We sure had a good time.
